MAGLINK LX4 CONSOLE

The art of
interaction

The best just got better

Introducing the ProGauge MagLink LX4, the next generation tank gauge console from Dover Fueling Solutions, now with intelligent 'touch and swipe' technology.

Smooth Operator

Delve into the world of interactivity and discover the benefits of new 'touch and swipe' technology. Developed to offer an unrivalled user experience, the MagLink LX4's touchscreen enables you to effortlessly move between screens to easily view all of your tank data through its new and improved graphical display. This, coupled with a brighter screen, faster processor and simplified reporting capabilities makes it the most advanced tank gauge on the market.

Want to find out more? We thought you might. Drop us an email at atg@doverfs.com and ask one of our specialists.
