

## TOKHEIM QUANTIUM™ 510M FHR FUEL DISPENSER

# Redefining Modularity

Modular, reliable, safe and secure. That's the perfect description for the Tokheim Quantum™ 510M full hose retraction (FHR) fuel dispenser. It's impressive. It's powerful. It's engineering excellence.

The Quantum 510M FHR fuel dispenser has been designed with modularity in mind, allowing you to design the perfect solution for your forecourt. Built with field-proven, high-quality components, the Quantum 510M FHR fuel dispenser delivers lower total cost of ownership (TCO), greater future-proofing and improved maintainability. Unlocking the power of media to boost sales has never been easier, thanks to the new larger dispenser head.

## Tokheim Quantum 510M FHR fuel dispenser

*Stand out from the Crowd*

The Quantum 510M FHR fuel dispenser has been designed with the same look and feel of its predecessor - Quantum 510 - but with the added benefit of a larger dispenser head, enabling an easy upgrade from LCD to VGA media display. The hoses are completely encased, allowing site managers to maintain a sleek, professional and tidy forecourt, whilst improving the customer's refuelling experience.

Available Grades: 1-5

Available Nozzles: 1-10
